### *To the Kamloops Business Community:*

The Kamloops Sunrays Synchronized Swim Club is hosting the Jean Peters Invitational swim meet in the spring. The event will bring Synchro swimmers from all over British Columbia to Kamloops and will receive local and provincial media coverage. We are seeking sponsors and donations to help us make the event a success, and will ensure that our sponsors are recognized for their important role in the event.

### **Where You Can Help:**

**1. Financial Support:** The event budget will be approximately \$15,000 for facility and equipment rental, banquet, and meals for officials. Financial support would allow the Jean Peters Committee to provide required services without passing on costs to the participants. This is a form of support that would be appreciated by everyone involved.

**2. Promotional Items for Athletes:** The Jean Peters Committee would like to give the athletes promotional items to take home as a memento of the event. Towels, bathing caps, disposable cameras, water bottles, toiletries, or other small personal items would all be appreciated and could carry a corporate logo. Coupons for services while in town or back at home, or franchises are welcome for the gift bags. There will be approximately 250 athletes attending.

**3. Water:** Bottled water in coolers or individual bottles will be provided to all officiating and volunteer staff.

**4. Food for Judges and Officials:** We are providing meals and snacks for judges and officials, so food donations would be welcome.

**5. Raffle and door prize items:** We are seeking gift items that winners can take home to other cities.

**6. Volunteers:** Our host committee is seeking assistance from the community to staff volunteer positions such as recording of scores, helping with setup and cleanup, operating sound equipment, and assisting with services.

If you can contribute in any way please contact us. (See contact information at right). Thank you for your time and consideration.
